- VARIETY FETEASCA REGALA
- FERMENTATION TIME 24 MONTHS
- ACIDITY: 6.9 g/l
- ALCOHOL 12% vol
- RESIDUAL SUGAR 3 gr/liter – Brut

Variety: Fetească Regala

Behind every drop of Prestige Blanc is the distinguished essence of the noble grape variety, Fetească Regala. With a title that translates as 'prestige', this variety brings an aristocratic touch to every glass.

Colors and Effervescence

The light golden color, sprinkled with subtle hints of green, is the first clue to the elegance of Prestige Blanc. The fine effervescence unfolds like a string of pearls, rich and persistent, harmoniously completing the visual experience and anticipating each sip with a promise of freshness and refinement.

The Prestige Blanc Taste

The taste of the Prestige Blanc is an experience for the refined, a gustatory journey through gourmet territory, smooth and clean. Directing elegantly towards the palate, this wine reveals layers of freshness and refinement. With a remarkable cellaring capacity, each sip promises superior quality and exceptional persistence.

Serving Temperature

We recommend drinking at 5–7°C to release its full complexity. A wide glass will allow the wine to open fully, allowing you to capture every note and nuance.

The Bouquet of Flowers and the Delicacy of Peaches

In the olfactory universe of Prestige Blanc, the attack is a broad and refined symphony of aromas. Floral tones, such as white lilac and lime blossom, are immediately apparent, generous and open. Then, in an aromatic dance, white-fleshed peach sweetness and yellow nuances make their entrance, completing the olfactory experience with a final note.

Culinary Dance

Prestige Blanc is the perfect partner for a subtle and delicious culinary dance. Ideal for appetizing appetizers, this sparkling wine finds its perfect match in savory tarts and first courses with delicate white meat or fish sauces. Enjoying a harmony of flavors, Prestige Blanc adds an elegant and fresh touch to every meal.
